

**GOOD  
NEWS!**

**YOUR PRIMARY CARE  
CLINIC IS ADVANCING  
CANCER  
SURVIVORSHIP  
CARE!**

Our clinic is participating in an important research study to improve how we care for cancer survivors. We are working with researchers to enhance the way we identify and support patients with a history of cancer to ensure they receive the best possible care based on the latest guidelines.

**BY PARTICIPATING IN THIS EFFORT, OUR  
CLINIC IS HELPING SHAPE THE FUTURE  
OF CANCER SURVIVORSHIP CARE IN  
RURAL PRIMARY CARE SETTINGS.**

If you have a history of cancer and have questions about your follow-up care, talk to your provider today!

**KanSurvive<sup>2.0</sup>**

Testing Enhanced Models of Cancer Survivorship Care  
for Rural Cancer Survivors in Primary Care Practice
